**The Visual Arts** play a crucial role in the development of children. The Visual Arts engages students in the essential skills needed for the 21st Century such as critical and creative thinking, communication and collaboration. It helps them to develop their craft, engage and persist, envision, express, observe, reflect and explore.

*we support...*

- student scholarships
- student enrichment programs
- art materials

*get involved...*

FoVA meets the first Wednesday of every month (September-June) at 6:30 pm. Please visit our website at **FoVANorwood.org** for our meeting location.

For more details or ways to volunteer, email us at **fovaart4u@gmail.com**.

*about us...*

**FoVA** is a grassroots community organization committed to preserving and promoting the Visual Arts in the Norwood Public Schools. FoVA will use the proceeds to support student enrichment programs and scholarships for graduating Norwood High School seniors as well as to support the Visual Arts Department's endeavor to create the best art education possible.

Please consider making a **donation** to support this important resource for Norwood Public School students.

*Become a supporter*
